

# The Hub Conduct Agreement

When at The Hub I need to make sure I am following the rules.

Our Hub rules are:

- ✓ Kind hands and feet
- ✓ We do good listening
- ✓ We like to share
- ✓ We use kind words

Our table rules are:

- ✓ To sit nicely
- ✓ Say please
- ✓ Say thank you
- ✓ Ask to leave the table

If I choose not to follow the rules, the Key Worker will remind me of the rules and the choices I can make, if I choose to make the wrong choice then I will be moved to amber. This is a opportunity to then make the right choice and be moved back to green.

If I continue to make poor choices then I will be moved to red and asked to leave where I am and do a timeout.

If I am angry, I can go to the Reflection Room or I can choose to go to The Woodland Corner to calm down. When I am ready, I will do the timeout. If the Key Worker feels I am going to hurt myself, others or property then I will be walked to the chairs and held until I am calm.

After timeout, It is a good time for me to talk to the Key Worker about what happened.
